What's Your Story?

My life is full of "Tales" and "Tails." I have always had animals and I like to write Children's story with tailed characters!

tails & tales

Tales with Tails

My favourite "Tales with Tails" are the Cat Who... books by Lillian Jackson Braum with a Man with a mustach and a cat with 60 whiskers! The entire series is great!

The most interesting series I learned of are the Smitten mysteries. Who knew you could train a dog to find bed bugs. I have a service dog so I know how smart they are but still...

Bed bugs?!
Books by Susan Kroupa

Due to the summer reading program, my New Series book is Bells Tails by Nancy Harty. Manco Penn.

Currently I am listening to Assessing in the Classics by Dale Mayer. The most helpful critics in the investigation are a cat, a dog and a talking bird.

WHAT'S A ZINE?

A zine (/zi:n/ ZEEN; short for magazine or fanzine) is a small-circulation self-published work of original or appropriated texts and images, usually reproduced via a copy machine. Zines are the product of either a single person or of a very small group, and are popularly photocopied into physical prints for circulation.
